

Your meeting will be held in the Collaborative Theater in the CT Institute for Primary Care Innovation (CIPCI) located in the Innovation + Learning Center at Saint Francis, 260 Ashley St (corner of Woodland + Ashley Street) on the First Floor. There is CIPCI Visitor Parking on Ashley Street in Lot C; located immediately past the building on the left.

=====

DRIVING DIRECTIONS

Connecticut Institute for Primary Care Innovation

in the

Innovation + Learning Center

at Saint Francis

260 Ashley Street, Hartford, CT 06105

From I-84/Westbound:

Take Exit 48, Asylum Street. From the exit ramp, go right onto Garden Street. At the second traffic light, take a left onto Collins Street. Follow for six blocks. At the light, take a right onto Woodland Street. At the next right, Ashley Street, turn right and the Innovation + Learning Center at Saint Francis is the first building on the left.

From I-84/Eastbound:

Take Exit 46, Sisson Avenue (a left exit). From the exit ramp, bear right onto Sisson Avenue for four blocks. At the traffic light, take a right onto Farmington Avenue for two long blocks. Take a left onto Woodland Street and continue straight ahead, passing Saint Francis Hospital and Medical Center on the right. Take a right turn onto Ashley Street. The Innovation + Learning Center at Saint Francis is on the left.

From I-91/Northbound:

Take Exit 32 A to I-84/Westbound. Follow directions above for I-84/Westbound.

From I-91/Southbound:

Take Exit 32 A to I-84/Westbound. Follow directions above for I-84/Westbound.

Once off the interstate highways, the routes are clearly marked with blue and white trailblazer signs displaying an "H", the universal symbol for hospital.
