

10th ANNUAL NURSING RESEARCH DAY 2012
Wednesday, May 9, 2012

**BRINGING THE VOICE OF THE
PATIENT TO NURSING & HEALTHCARE**

Purpose

This conference presents nurses with research using a qualitative perspective to gain a deeper understanding of critical issues relevant to nursing. Topics range from education in end of life care to quality of life following bariatric surgery.

5.5 contact hours will be granted upon completion of the program

Objectives

Participants will be able to:

1. Describe how qualitative research provides a valuable perspective for understanding health related phenomenon.
2. Identify two qualitative research methods used in nursing research.

St Francis Hospital & Medical Center is an approved provider of continuing nursing education by the VT State Nurses' Association, Inc., an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation."
