Happy Holidays!

Dear PHO Physician:

The holiday season is time for celebration, reflection and anticipation of the year ahead. Despite all the challenges we face in healthcare, we are fortunate to enjoy the benefits of a talented medical staff and progressive, nationally recognized hospital.

I celebrate the spirit of Saint Francis, reflect on the positive relationships we have nurtured this past year and anticipate with optimism our future. On behalf of the entire PHO staff, I wish you a safe and joyous holiday season.

Happy Holidays

Respectfully yours,

Jess Kupec
