

Nicole J. Schulz

As a member of the Executive Management Team, Ms. Nicole J. Schulz is Vice President, Revenue Cycle at Saint Francis Hospital and Medical Center.

Prior to her role as Vice President for Revenue Cycle, Ms. Schulz served as Director of Revenue Cycle. In her current position, she oversees the Hospital's Patient Financial Services, Patient Access, Health Information Management, and Revenue Integrity Departments. Prior to joining Saint Francis, Ms. Schulz was associated with PricewaterhouseCoopers, LLP, Boston, for eight years within its Healthcare Consulting Practice.

She holds a Master's in Business Administration from the Boston University Graduate School of Management with a concentration in Healthcare Management and a Bachelor's Degree from the College of Charleston, Charleston, SC. Ms. Schulz is a member of the Healthcare Financial Management Association.

She resides in West Hartford with her husband, Jim, and their two sons.
